

## This is a detailed land use map of a rural area, likely a village or small town. The map is oriented with North at the top. It features a network of roads, including a main road running vertically through the center and several smaller roads branching off. The land is divided into various colored zones: yellow for agricultural or open land, green for forested areas, blue for water bodies (a small pond is visible in the bottom right), red for residential or built-up areas, and purple for specific land use zones. The map also includes a scale bar in the bottom right corner, indicating distances of 0, 100, 200, and 300 meters. A north arrow is located in the bottom right corner, pointing towards the top of the map. The map is surrounded by a black border, and the background is a light gray grid.
